

WHEN **EACH GRAM**
IS **VALUABLE**
AND **GREAT TASTE**
IS **PRICELESS**

BEST FOR:

Great taste in super-light package. Add water, stir and enjoy.

These meals are made to be carried on your back. They weight almost nothing but give you everything your body and mind needs after rough day.

Our meals are made from **100% natural ingredients** and without any preservatives.

We have developed brand **new technology of dehydration: VACUUM-DRYING** It saves up to 30% of energy when compared to traditional freeze-drying and keeps the original taste and nutrition values.

In combination with vacuum packing, you get the lightest and smallest outdoor meal possible.
